

## *19/06/2017 – June 2017 Newsletter*

*May has come and gone, and what a busy month it has been! We have been busy preparing and sending out all our hanging basket orders, and creating the flower displays for Brierfield town centre (if you're passing through, take a glance at them).*

### *Bowling*

On May the 13<sup>th</sup> we held our annual Bowling Tournament, this is always a hotly contested competition, and this year was no exception. Each of the 5 teams were very enthusiastic, and the atmosphere in the bowling alley was charged with friendly rivalry. The winner from each group went on to play a knockout game, the finalists being Levi, Craig, Steven, Keith and Joel. Keith's expertise and competitiveness won the day again as he became our Champion Bowler for the second consecutive year, he will receive the trophy at the Christmas party, WELL DONE KEITH.

### *The finish is in sight*

The new build is well on its way to completion, and we cannot wait! It'll be great to have the extra space, futureproofing FreshFields for years to come.

### *Accrington Market*

After the closure of Burnley Market, we now have a stall on Accrington's Thursday market. Come on down and grab yourself a bargain!

## Important notices

### Personal Items

Can we ask that non-essential personal items such as tablet computers are left at home? FreshFields cannot be held responsible for items which are damaged or lost, and bringing any such item is at your own risk.

### Holidays / Respite care

After reviewing our procedures could you please inform FreshFields if the person you care for will be at respite while you are on holiday? We will require the name, address, and contact details of the place at which they will be staying, and also the length of time they will be there and any travel arrangements to and from FreshFields.

### New Staff Members

You may have seen some new faces hanging around while picking up. We're happy to introduce two new members of staff, Cherie and Nicola. We also have several volunteers helping out around the site. If you see them around, say hi.

### Club Pre-booking & times

From Monday the 12<sup>th</sup> June 2017 we are introducing a pre-book and pay system to the Kitchen clubs, due to increasing demand. We would like to accommodate everyone, however for health and safety reasons we have to cap the number at thirteen students per class. We will be rolling this system out to all the clubs over the course of the year. Priority must be given to those who attend on a regular weekly basis.

Also, please be aware of the start and finish times of the clubs:

*Kitchen Club* – *Monday* 10am-1pm, *Tuesday* 10am-1pm, 3pm-5:30pm

*Glitter Club* – *Monday* 1:30pm-3:30pm, *Wednesday* 1pm-3pm

*Craft Club* - *Wednesday* 3:30pm-5pm

*Dance Club* - *Thursday* 6pm-7:30pm

*Bike Club* - *Friday* 10am-12pm

## Upcoming events

On Thursday 29<sup>th</sup> June 2017 we're hosting our second Coffee Morning, where parents and carers can meet each other and the FreshFields staff.

We are considering organising a trip to the Emmerdale studio tour after the Summer Holidays.
